JANUARY- FEBRUARY 2020

FROM THE TREASURER

2020 is on the way, and it's time to register and renew our dues. Our club is looking forward to what the new year will bring.

We would like to have a few fund raisers so that we can build up our reserves and need suggestions from you, our members.

Participation is one of the foundations of a well-run club, and we really need your input.

Also, anyone who would like to help in running the club is welcome.

Just contact our president and let him know where your talents lie.

There are many jobs available.

Fresh ideas are always appreciated.

PRESIDENT'S MESSAGE

My sincerest thanks to each and every one of you for your support throughout the past several years. It has been an honor and a pleasure serving as your President over the past several years. Moreover I am looking forward to continuing in that capacity. In 2020 and beyond. The success of this organization is my greatest goal!

Over the next months there will be changes in the locations of our activities and in the times and activities. Even the format of this newsletter will have some changes. Please read the calendars which come with your newsletter! And please send in your dues as soon as possible in January with the form attached to the new address shown on the newsletter which will become the new LX Club mailing address. Our phone number will change to: *414-507-1301*. And our website will remain the same: *www.lxclub.org*.

Please note that when we have activities that require your response, it is essential to comply with the date given as a deadline. I can recall no time when the date wasn't provided far enough in advance that it should cause a problem for any of you. Your response allows us to plan the event, order food/refreshments, and secure the program, all at a cost favorable to you. And you will be getting your first practice of giving a timely RSVP. On **WEDNESDAY FEBRUARY 19, 2020** we will be having a special Valentine's Day Luncheon and Movie at Zaffiro's and the Marcus North Shore Cinema. See more details in one of the articles Please RSVP no later than Monday February 10, 2020.

The remainder of the newsletter will have announcements and articles etc. provided by board members. Our board is composed of great ,caring people who go beyond the call of duty. Please read their submissions. ***Happy New Year!!!***

A SPECIAL THANK YOU TO THE MARCUS THEATER FOR HELPING TO MAKE OUR MOVIE EVENTS SUCCESSFUL.

ON A PERSONAL NOTE;

Last week I went out to lunch with a friend

We dined at a moderate chain cafe. I had a salad for \$13.95 & coffee for \$2.50. MY bill for lunch totaled \$16.45 and by the time I added tax and tip I spent **over** \$20.00.

My friend spent the same for a burger, fries and coffee. I started realizing the great deals we are offering our members when we have a variety of programs **PLUS** a generous hot lunch, beverage and dessert for a reasonable price. I believe if you compare your recent meals out with what the LX CLUB IS OFFERING , you will find the LX Club has a deal that is hard to beat. Support your LX Club luncheons and programs , so we can continue to provide great events for our members in the future.

-Janice Tishberg

Sunshine Lady: Jeanne Schramm

Our best wishes for a speedy recovery to Ted D'Souza and Leon Snap. So many games to play and other activities that we know you both enjoy. Please watch for the full calender in February.

North Shore Health Department

As in the past, a representative of the North Shore Health Department will be offering free blood pressure checks at all our events, one half hour before the events start.
