President's Message:

On September 5th, 2017, the Lydell Community Center moved to a new security system. All visitors during pre-determined hours (9:00am-3:30pm) and at designated doorways (door #1 & #2) will be asked to buzz-in at an outdoor monitoring area for entry. We ask for your cooperation as we move towards this new system.

You will notice this newsletter is for a three month period. This was determined at our board meeting in order to resume our normal schedule of a newsletter every other month. This means your next newsletter will be in December for the months of January and February. Please note that the calendar included with this newsletter is for the three months of October, November, and December.

In the article regarding movies shown at Lydell, there are certain dates that movies will not be shown that are stated in the calendar. Either holidays, or the absence of our movie guru, necessitate this change.

The year 2017 has been challenging for the LX Club. We are thankful to have our card groups, movies, bingo and other activities at the Lydell School, and our office and programs at the Whitefish Bay Woman's Club. We will also be utilizing the pavilion in Fox Point, and will have evening movies at Marcus Theater in Mequon. The board of directors is committed to serving Fox Point-Bayside, and North Shore seniors.

With the many changes, we find it difficult to continue to offer all of the programs without an increase in dues. As of 2018, we find it necessary to increase our membership dues to \$20.00 for a single membership, and \$30.00 for a couple. As always, if this

becomes a hardship for any member, please talk to me and arrangements can be made to work with you. The LX Club is a non-profit organization, and much-needed donations are always welcomed and appreciated. Please remember all donations are tax-deductible.

Tip Toe Through the Tulips

September’s theme was all about flowers. A special “thank you” to our past president, Beverly Burger, for donating her time to present a fascinating educational program on flowers, and the art of floral design. Beverly, an accomplished florist, let our members try their hand at creating some beautiful floral arrangements. Singer and entertainer Mark Conrad treated us to great vocals with, of course, a flower theme! To top off the event, we enjoyed coffee with a variety of delicious butter cream-frosted, floral-adorned, cakes. Minnie Chambers displays her lovely fall arrangement in the photo to the left.

The Fox Point Farmer’s Market is Coming to a Close

Movies

October 11th, 2017 ~ *A Ghost Story*: Fantastic and beautiful movie about time, life and love. There is tragedy early in this film, and the film examines the process thereafter for the young couple involved. A beautiful score just adds to the merit of this unique film. *1 hour, 27 minutes.*

December 13, 2017 ~ *A Dog's Purpose*: A must-see for every dog lover in the world. The dog narrates. You see it's life. When the dog gets old and dies, you find the dog is instantly and continually reincarnated into another dog of a different breed, with different family and living conditions. Each dog can remember his previous lives; however, there is always a role and purpose in each dog's life. It's a touching and enjoyable story about "man's best friend." Bring Kleenex. *1 hour, 40 minutes.*
