PRESIDENT'S MESSAGE

I am more and more pleased by the growth in attendance at our activities and programs. The help and advice I am getting from our board of directors is great! To that end I am looking for volunteers willing to help at events, on game days, in fundraising and in adding membership.

Please call me at the LX Club 414-204-8220.

I have added a few days that have been set for upcoming months in the Save the dates and am working on filling the calendar and would appreciate suggestions.

In response to some questions I have received, our Treasurer Rosalie Peevy is recovering and is almost ready to resume her duties. I can't wait!

Upcoming Events

May 16, 2019 12:00 noon Lunch and “*The Joy of Birding*”

(Note: Voluntary blood pressure checks will be available from 11:30 a.m. to 12:00 noon)

Please join the Audubon Society and Laurel Oaks for a delightful Complimentary Lunch, tour, and an informative and fun program on Thursday May 16 at Laurel Oaks 1700 W. Bender Rd, Glendale. Lunch will be provided courtesy of Laurel Oaks, followed by a voluntary tour of the community and “*The Joy of Birding*” program by the Audubon Society.

By the way, did you know that bird watching is the number one recreational activity in the United States? Over 50 million people consider themselves bird watchers and enthusiasts. The presentation engages participants with beautiful images and sounds of local birds.

Covered are ways to encourage and assist birds who might visit your yards. We will also play a fun word association game that correlates pictures of birds with their namesake. And for a grand finale, we will have a visit from a beautiful live owl!

Due to the limited space and expected crowd from all over the community, the LX Club is limited to the first 24 attendees to RSVP and who are LX Club members. Please call the LX Club phone 414-204-8220 with your reservation no later than May 6, and leave your name and phone number.

Parking is limited, so carpooling is strongly encouraged.

June 18, 2019 12:00 noon *Fun Table Topper Ideas*

(Note: Voluntary blood pressure checks will be available from 11:30 a.m. to 12:00 noon)

Please join Beverly Burger, our former President, as she presents Fun Table Topper Ideas. You will be pleased with Bev's knowledge, creativity and humor. Bev's presentation will be Thursday June 18 beginning at 12:00 noon. You will learn how to make a centerpiece that is unexpected and fun for a special occasion, luncheon or dinner party.

See how to use found items from around the house, your pantry or Goodwill for a table topper. Don't think you have to be formal. Get creative, whimsical and make it fun. Do something your guest(s) will remember!

Following the presentation we will have delicious refreshments.

This event will be held at the Whitefish Bay Woman's Club 600 E. Henry Clay St. Whitefish Bay. Please RSVP no later than June 11. The fee is \$3.00 per person.
