## **PRESIDENT'S MESSAGE**

Summer is soon to end, and although the weather will not improve, there is still so much to look forward to at the LX Club. Our activity schedule and programs remain the same. Please read the calendars attached to this newsletter. Along with the newsletters, they are also on our website.

I want to thank the Bavarian Bierhaus for their continuing graciousness toward our club. Please show our gratitude by going there for lunch or dinners. They have expanded their menu and have many specials. The food, service and music are great!

Each week we have several groups enjoying games at the Whitefish Bay Woman's Club. I would appreciate it if the last people out lock both doors and turn off all lights in the upstairs area. I open the area and check that it is closed, however I sometimes arrive after the groups have left and I don't want the area unlocked any longer than necessary.

## Upcoming Events

### Bayside Picnic

The annual Bayside Picnic will be held at the Bayside Village Hall grounds on Regent Rd., Saturday, September 7, from 2:00 p.m. to 7:00 p.m. As usual the LX Club will have a table to greet the public. Please come by and say hi.

### Medicare and Medicare Supplements

On Thursday September 19, 1:00 p.m. at the Whitefish Bay Woman's Club we will hear from Steve Schneiderman noted authority on Medicare and Medicare Supplements! Steve has been involved in the industries serving these needs for more than twenty years and is considered an expert in these topics.

He is not coming to sell anything, but, at our invitation, to provide a timely talk on the various options and nuances of Medicare and most particularly Medicare supplemental insurance options and benefits. I strongly encourage you to attend and ask questions! Do not miss this important event.

This talk is free to all members and any guests they wish to bring (donations are appreciated). Refreshments will be served. Please RSVP by calling the LX club 414-204-8220.

## Pabst Mansion History

On Thursday October 17, 1:00 p.m. at the Whitefish Bay Woman's Club Dave Fehlauer from the Pabst Mansion staff will join us for an interesting presentation on the History of the Pabst Mansion and Milwaukee!!

Dave's talk will include slides, etc. and is the first time a curator of the Pabst Mansion is taking the presentation to the public versus providing this only at the Pabst Mansion. We are lucky to have learned of this just as the decision was made to take this show on the road!

This is free to all members and any guests they wish to bring (donations are appreciated). Refreshments will be served. Please RSVP by calling 414-204- 8220.

### Sunshine Lady (Jean Schram)

Wishing Sandy Adland a speedy recovery from her surgery. Get well soon! We need you at our meetings.

### Condolences

John T. Lee August 17, 1940 - August 10, 2019

We wish the Lee Family our sincere condolences on the death of LX Club member John T. Lee, husband of Bonnie for over 40 years. John was a devoted father and family man. He had several diverse interests and volunteered at many civic activities. His friendly smile will be missed!
